BERRY
NICE

Origin:

**BRASIL
SANTA
HEDWIRGES**

Taste: Blackcurrant
& chocolate.

Process: Natural.
Variety: Yellow Catuai.
Altitude: 900m.

One More Thing: We've added a burst of Brazil to our line up with this bright, fruity coffee from the Brito family. The Brito's have farmed on Fazenda Santa Hedwirges farm for four generations - around 90 years - harnessing great growing conditions and focusing on high quality production. Berries for days.
