Origin:

COLOMBIA EL TESORO

Taste: Jasmine
& black plum.

Process: Washed.
Variety: Tabi.
Altitude: 1700m.

One More Thing: This coffee comes to us from El Tesoro, a 3.5 hectare farm owned by Victor Barerra. Coffee is selectively handpicked by a dozen hired pickers during harvest, and generous prices per kilogram are paid to incentivise selection of only ripe, red cherry. The result? An incredibly sweet and juicy cup. Enjoy!
