

# YEEH HAH

FORTUNE FAVOURS  
THE BOLD!

**TASTE:** Caramel, raisin & macadamia, weighty body & texture.

**CURRENT ORIGINS\*:** Bourbon  
BRAZIL, Pegasing  
SUMATRA, Merthi Mountain  
INDIA (Robusta).

\*We update with fresh coffee harvests, always blending to the desired taste profile.

**SPOTLIGHT ON: Merthi Mountain, INDIA (Robusta)**

Going against the whole '100% Arabica' thing (so nineties!), we developed this blend with a small portion of Robusta - the hardworking, high yielding, disease resistant cousin to the more refined Arabica - to lend body & creaminess. This ain't the rough & ready type grade you'll find on the Robusta Coffee Futures though! Merthi Mountain is a really special, high grade Robusta that took tenacious sourcing & cupping work to find.

**ONE MORE THING:** This blend was originally developed to complement & mirror the butteriness of pastries. But hey, it'll pair just fine with bacon & eggs too.

**ROBUR/MYTHOS**: 20g in / 33g out / 30 sec
