**TASTE:** Cherry cordial,  
chocolate & honeycomb

**VARIETY:** 85% Bourbon,  
15% Pacas

(semi-washed)

**ORIGIN:** Apaneca,  
El Salvador

**PRODUCER:** Ms. Nora  
Lemus de Diaz Nuila

**ONE MORE THING:** Call it a blended origin, or an origin blend, we've combined the fruits from Finca España's precious 28 hectare estate - one lot of its washed coffee with one lot of its honey-processed coffee - to deliver the best of both worlds in balance & texture. Great to see this long-standing estate, established in 1860 by Rodrigo Herrera & now managed by his granddaughter Nora Nuila, using different processes to bring diverse characteristics to its coffee.

**ROASTER NOTE :** When we purchased both washed & natural lots from Finca España we intended to offer them individually. After playing around with different roasts & extractions, & blending the washed & natural together... BOOM! Coffee magic happened! Whilst great as individual components, blended together the result is greater than the sum of its parts. Especially delicious as a batch brew!
