

SWEET MELODY 

FAZENDA DAS AMORAS

BRAZIL PULPED NATURAL COE #2

VARIETY: Catuai

PROCESS: Pulped Natural

ORIGIN: Araponga, Minas Gerais

PRODUCER: Luiz Henrique Macedo Teixeira

ONE MORE THING: Competition was steep in this year's Pulped Naturals category & this Matas de Minas-grown origin was one of four coffees to score 90+. Producer Luiz Henrique Macedo Teixeira credits the combination of his family's hard-working legacy & the "gifts of nature" in his region, like the crystalline springs of nearby Serra do Brigadeiro State Park, for the production of this sweet, mellow brew. The craft & innovation Teixeira weaves into this COE, from job creation to crop care translates to an unforgettably expressive cup we're amped to share with you.
