

KORMUT KENYA

CANDY CUP!

TASTE: Complex black plum & currant with sweet stewed tomato

VARIETY: Ruiru11/SL14

PROCESS: Washed

ORIGIN: Keiyo, Elgeyo Marakwet Country

PRODUCER: Kormut Farmers Co-operative Society

ALTITUDE: 1500-1800m

ONE MORE THING: This classic Kenya cup is brought to us by the Kormut Farmer Co-operative Society which is powered by 120 women & 7 men! This harvest showcases the Ruiru11 variety, as well as the less familiar SL14, which is highly resistant to Coffee Berry Disease, as well as cold temps & drought conditions. Originally selected at the Scott Agricultural Laboratories in the late '30s, this variety can also be found right here in Aus!
