

# GUAYABALES

## GUATEMALA

HARD  
CANDY!

**TASTE:** Mandarin, red grape, panela, delicate body & balanced acidity

**VARIETY:** Bourbon/Caturra

**PROCESS:** Washed

**ORIGIN:** Hoja Blanca, Guatemala

**PRODUCER:** Pedro Villatoro Castillo

**ALTITUDE:** 1800m

**ONE MORE THING:** Hoja Blanca has produced four lots & we were lucky enough to get our hands on one! Rumour has it that producer Pedro, a strong but silent type, follows a specialised & dedicated pruning technique which has contributed to success of this spectacular crop. While Blanca was once victim to leaf rust, the estate is now stronger than ever, taking advantage of the morning fog & shaded slopes to consistently produce a distinct hard candy sweetness & high acidity coffee. Guayabales will sweeten your cup any way you brew!
