REGION SPOTLIGHT ON:

Huehuetenango GUATEMALA

Perhaps the most famous of the coffee
growing regions of Guatemala, these
coffees are grown at incredible altitudes
with cool days & colder nights which
slow down the ripening process,
resulting in a noticeably sweeter cup.
Hip-hip-hue for this origin's tropical
fruit notes that help make Killerbee
the nectar that it is!

21g in / 41g out / 30 sec

This recipe is a great starting point, but as you know there's rarely a one size fits all solution to coffee! Feel free to adjust as required.
