

PARADOX

BALANCED LIKE A
BUDDHIST MONK

TASTE: Ripe berry, hints of spice & bittersweet chocolate finish.

CURRENT ORIGINS*: Pegasing SUMATRA, Mogiana BRAZIL, Guji Natural ETHIOPIA.

*We update with fresh coffee harvests, always blending to the desired taste profile.

SPOTLIGHT ON: Pegasing, SUMATRA

An irreplaceable blend component, lending spice & chocolate, Pegasing is the most delicious Sumatran coffee we've tasted. It blew us away on first cupping & our most recent origin trip to Aceh confirmed the quality & robustness of their fly crop harvest. This special selection comes from the peak of that harvest, when the coffee cherries are at their sweetest. After picking, the cherries are wet hulled in the traditional Giling Basah Indonesian style.

ONE MORE THING: Paradox is our fresh take on the Mocha Java blending style, which juxtaposes coffees with bright berry & deep chocolate tones. Hence the name.
