

SWEET SIXTEEN

TASTE: Peaches & cream, sugar & spice

ORIGINS:

Aroresa Ethiopia
Iwala Tanzania

SUITED TO: Espresso, milk coffee & filter.
Try it as a batch brew.
It's delicious.

ONE MORE THING: This birthday blend, a sequel to Lucky Thirteen from three years back, upends any notions of foul-mouthed, rebellious teen antics & embraces Sweet Sixteen for exactly that - a celebration of peaches & cream, sugar, spice and all things nice. Here's to the crew, customers, origin partners & coffees we've grown up with since '03. Cheers & thanks for the wild journey!!
