ONE MORE THING: The variety Geisha speaks for itself, but there's more to this story! In April of 2013, our legendary coffee partners La Minita purchased a farm called Hacienda La Pradera in the Tarrazu region, which was left in poor condition. The experts at La Minita entered into intense renovation to revitalise the land for the production of specialty coffee. We loved the debut lot so much that we just had to bring you the new harvest of this washed beauty from the highest parcel of the Rancho Grande farm!
