**ROASTER NOTE:** They share a border & similar growing conditions, but Ugandan coffees don't carry the same cred as Kenyan coffees. So, why're they together here? Well, it's thanks to the grade-raising efforts of Pura Ceps that we're able to include Uganda in the mix. Here, the Basoga rounds out the bright acidity of the Nyeri with spiced creaminess. This is the art of blending & roasting, where different coffees are carefully balanced in your cup.
