**ONE MORE THING:** A Pacamara variety with a natural process from sixth-generation producer Emilio Lopez Diaz? Let us at it! Founded in 2005 by Emilio, El Manzano farm gave him the chance to experiment with processes & varieties. His nth degree of control led to phenomenal coffee, featuring in three National Barista Champs & winning 1st & 2nd place in El Salvador's 2018 Cup of Excellence. We go mad for the flavour punch of Pacamara & when it's this well farmed & processed, it's got Heroes Series written all over it.
