**ONE MORE THING:** This is a high-end coffee! Not only because it's often considered among the best high grown coffee in southern Ethiopia, but because the 600 or so producer families that make up the Banko Gotiti Coop have made a name for themselves by producing some of the best coffees in the region. Through careful selection of perfectly ripe cherry & meticulous processing, they've produced this charming washed lot with the classic Yirgacheffe flavours that coffee lovers rave about. Sweet peach & heady jasmine florals make this complex cup soar.
