### Kirinyaga, KENYA

We work with our on the ground partners every year to create this extra-special lot of Kenya as the backbone of Reservoir, our flagship blend. Created by cupping hundreds of lots in Kenya each year & putting aside the ones that hit the perfect notes, we then blend the lots together, box em up and ship them home to our Botany roastworks.

This recipe is a great starting point, but as you know there's rarely a one size fits all solution to coffee! Feel free to adjust as required.
