ONE MORE THING:

While the government tries to steer us all out of shit creek, we're chiming in with our own Stimulus, a special edition of the beverage that's ever-ready to stimulate. Blended from Nyeri Kenya & Tarrazú Costa Rica - we'd rather go down in a blaze of glory than cut quality - Stimulus is stellar as a flat white, 'spro, & as a filter...in case you're having to dust off that plunger at home while self-isolating. So counter a cashflow hit with a coffee hit, or a downturn with an upswing from our delicious limited blend!

ROBUR/MYTHOS:

20g in / 57.5g out / 25 sec

This recipe is a great starting point, but as you know there's rarely a one size fits all solution to coffee! Feel free to adjust as required.
