

YEE- HAH!

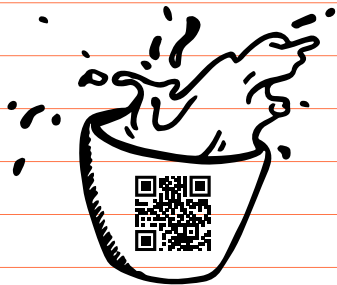

FORTUNE FAVOURS THE BOLD!

TASTE:

Caramel, raisin & macadamia,
weighty body & texture

REGION SPOTLIGHT ON: CHIKMAGALUR, INDIA

Going against the “100% Arabica” grain (or bean in this case), the cornerstone of this blend is a delish & rare high-altitude Robusta. It’s the hardy (read: disease resistant) n hardworking cousin of the posher Arabica. It puts the yee into the hah of this blend, lending depth, body & creaminess to the cup. Now that’s worth hollerin’ about cowboys n gals.
