ONE MORE THING: Max Pérez, with his family's support, was able to "make the coffee dreams come true" by acquiring a farm in Acatenango's perfect coffeelands. Ten years in, he's created a coffee utopia of 13 plots planted with top varieties: Typica, Red & Yellow Bourbon, Caturra, Catuai, Pache, Pacamara & Gesha. To top it off, small lots of individual varieties are made-to-order as washed, honey or natural in their pristine mill. We were stoked to visit Max's farm in January & have this Red Bourbon natty lot made just for us - and you!
