ONE MORE THING: Remember last year when the world came to a halt? One of the many things that had to be reconfigured on the fly was the Cup of Excellence competitions. Panels were quickly set up in countries around the world & vetted judges described and scored the winning coffees of 2020. We fell in love with 2 lots from the Colombia COE & this Lot #22 was the surprise sleeper of the comp. Bidding was fierce for this coffee, & it fetched the 5th highest price at auction. The charming Pink Bourbon variety suggests lush flavours of ripe pink fruits. This coffee sure does deliver; dive in & taste its sweet surprise!
