ONE MORE THING: Technology can be a wonderful thing, and it's thanks to the wonders of technology that we can bring you Guatemala Vizcaya. It's fermented with a special yeast additive formulated especially for this coffee, that gives the producer a more consistent and clean product. This means a more fresh and clean tasting - not to mention a more sustainably produced - coffee. Ain't nobody dope as this.

ESPRESSO:

20g in/ 56g out/ 24 sec
